Biographical/Historical Note

Ole Wickliff Burroughs (1873-1958) was born in Bellevue, Pennsylvania. After graduation from Washington and Jefferson College in Washington, Pennsylvania, he received his L.L.B. from the University of Pennsylvania. He became the principal of the Boys Industrial School in Pittsburgh and in 1915 moved to Savannah, Georgia, to be director of the Bethesda School for Boys. He remained at Bethesda until his retirement in 1945. His wife, Henrietta Kredel Burroughs (ca. 1880-1969), and their children Mary and Jon were integral in the life of the school during these years.

Scope and Content Note

This collection consists primarily of letters to and from Ole Wickliff Burroughs dealing with life in Savannah, social clubs, the Bethesda School for Boys, and U.S. involvement in World War II. A large portion of the papers concern the Union Society, the Rotary Club, and the Cosmos Club, all of Savannah. Also included are Mrs. Burroughs’ diaries and later those of Mr. Burroughs when he took over as official diarist. These diaries are an almost daily account of life at Bethesda - activities, references to various boys, etc. - and the Burroughs family life. The collection also contains photographs of various buildings and aspects of Bethesda.
